THE SECRETARY TO GOVERNMENT,
Revenue Department, Bombay.

Subject.—Administration Report.

Sir,

I have the honour to submit my report on the working of the Registration Department under Act XVI of 1908 for the year ending 31st December 1941 together with the prescribed statistical statements.

2. During the year under report Mr. M. J. Desai, I.C.S. was in charge of the office of the Inspector General of Registration.

3. The total number of registrations during the year under report was 270,584 against 260,789 of the preceding year, showing an increase of 9,795 or 3·7 per cent. The increase is conspicuous in compulsory registrations which have risen by 4·1 per cent. Optional registrations affecting immoveable property have, however, fallen from 6,563 to 6,144.

4 Out of compulsory registrations gifts show a rise of 3·4 per cent., sales 3·6 per cent., mortgages 6·5 per cent., other registered under section 17 (1) (b) (c) and (e) 3 per cent. and leases 1·1 per cent. The increase in the number of sales and mortgages appears to be due to the tendency of the public to sell or invest their money in immoveable property on account of high prices and unsteady conditions of the markets due to war. Increase in other classes do not call for any remarks.

5. The number of refusals to register have risen from 93 to 99. The number of appeals and applications preferred against these refusals increased from 18 to 33.

6. Out of 78,723 documents registered in the four districts of Poona, Satara, Sholapur and Ahmednagar 38,827 documents or 49·3 per cent. of the documents were prepared by the Sub-Registrars under the Deccan Agriculturists' Relief Act. The documents so prepared in the Sub-Registry Offices in 1940 were 38,147.

7. During the year under report 13,306 documents relating to co-operative societies were registered wherein remission of fees was allowed. Fees amounting to Rs. 38,742 would have been levied on these documents but for the exemption. The figures for 1940 were 14,457 documents and Rs. 39,039 respectively.

One thousand five hundred and fifty-six documents relating to Land Mortgage Banks were registered whereon fees of Rs. 12,407 would have been levied but for the exemption as against 890 documents and Rs. 5,338 respectively of the preceding year. Thus, the increase in the number of these documents is 666 or 75 per cent.

8. The number of applications for copies, searches, et cetera rose from 17,493 to 17,517. The number of applications dealt with by V. P. P. fell from 3,934 to 3,332.

9. The number of documents returned by post stands at 208,827 against 199,743 of the preceding year. These documents constitute 77·3 per cent. of the total number of registrations during the year under report.

10. Registrations under sections 25 and 34 of the Registration Act decreased from 199 to 152. The amount of fines recovered, however, shows an increase from Rs. 3,867 to 4,435.

11. The number of documents impounded for insufficiency of stamp duty was 232 as against 281 of the preceding year. In 151 cases deficit in duty and penalty were recovered, 58 documents were adjudged as duly stamped and 52 cases awaited disposal at the end of 1941.

12. The number of orders and certificates received for being filed in Book No. I under section 89 of the Registration Act declined from 6,197 to 6,007.

13. The number of Parsee marriages registered was 593 out of which the Registrar of Marriages, High Court, Bombay alone registered 463. In 1940 the number was 594.

The number of marriages registered under the Special Marriage Act (III of 1872) was 319 as against 270 of the preceding year. The Sub-Registrar, Bombay alone registered 193 marriages.

14. The number of documents received for photography in the Government Photo Registry was 126,872 with 589,344 sides as against 124,781 documents with 580,703 sides of the preceding year.

Out of the total number of 143,165 documents registered in the Sub-Registry Offices under the photocopying system 124,944, representing 87·3 per cent. were photographed. No document was rejected by the Government Photo Registry as unfit for photography.

The number of copies supplied from the preserved film negatives was 4,395 with 30,785 sides against 4,194 copies with 29,658 sides of the previous year.

The private work received in the Government Photo Registry is on the increase. Portion of the private work was done on an overtime basis as in 1940. The total number of sides printed in the Government Photo Registry in 1941 was 687,011 as against 654,381 in 1940. A statement showing the income and expenditure of the Government Photo Registry as required by G.M., R.D. No. P-352/25045-A dated 4th November 1938 is attached.

15. The total gross income of the Department has risen from Rs. 14,79,375 to Rs. 15,62,354 that is, an increase of 5·6 per cent. This is due to the rise in the total number of registrations.

16. The total expenditure has also risen from Rs. 4,93,982 in 1940 to Rs. 5,23,365 in 1941. The increase in expenditure is mainly due to increase in the prices of photographic materials required for the Government Photo Registry. This expenditure includes Rs. 10,563 on account of the cost of printing of books and forms, binding work and supply of rubber stamps, Rs. 3,639 on account of the cost of stationery articles supplied and Rs. 3,538 due to refunds. The surplus or the net income of the Department after deducting the total expenditure shown above comes to Rs. 10,38,989 as against Rs. 9,78,002 for the preceding year that is, a rise of Rs. 60,987 or 6·2 per cent.

17. The number of visits paid by the Sub-Registrars at private residences rose from 1,137 in 1940 to 1,165 in 1941.

18. One case of forged document in the Kolaba District is reported to be under enquiry. There were two cases of false personification in Thana District which ended in conviction of the accused. Another case for false personification is pending in the Court in Belgaum District.

19. The Inspectors of Registration inspected all offices in their divisions except the 10 offices in the III Division. The entries inspected by them during the year 1941 were 163,272 as against 195,221 in 1940. The District Registrars visited 84 offices while the Prant Officers visited 90 offices. The Inspector General of Registration inspected 15 offices.

20. There is reason to believe that there has been marked improvement in the general tone of the behaviour of Sub-Registrars with the public as complaints of ill-treatment or corruption against Sub-Registrars are less frequent. There was one case of complaint of corruption against a Sub-Registrar in the Kolaba District who was suitably punished by the Inspector General of Registration.

21. Noticeable features of the year under report :—

(1) The Joint Sub-Registry Office at Mokhada in the Thana District which was the last surviving office under the Ghogho system was abolished with effect from 1st November 1941 and the Sub-Registrar, Kalyan began to pay periodical visits to Mokhada as per G.R., R.D., No. 1737/24 dated 2nd October 1941.

(2) The number of periodical visits of the Sub-Registrar, Erandol to Dharangaon was increased as per G.N., R.D., No. 528-A dated 8th August 1941.

22. The Head Assistant and staff in the office of the Inspector General of Registration worked very efficiently during the year under report. The Manager, Government Photo Registry and Inspectors of Registration also put in a good year's work.

I have the honour to be,

Sir,

Your most obedient servant,

B. K. PATEL,
Inspector General of Registration,
Bombay Province, Poona.
